

## ***Mission Statement***

*Our mission is to inspire everyone who crosses our paths, touches our heart and to feel the passion that we feel for life. We want our kids, our customers, and our co-workers to experience and share in this passion. We hope that every time you leave us you will remember your experience with us as a happy and fulfilling one.*

*To help a child learn is a wonderful feeling. Their insatiable curiosity gives us an open door to teach them and watch them grow. Teaching a child from within will give them a life that will be filled with love, respect and honesty. Teaching these values in a fun and happy environment will always keep children excited about learning.*
